Public Question #1

“SHALL PROPERTY TAXES BE LIMITED FOR ALL CLASSES OF PROPERTY by amending the Constitution of the State of Indiana to do the following: (1) Limit a taxpayer’s annual property tax bill to the following percentages of gross assessed value: (A) 1% for an owner-occupied primary residence (homestead); (B) 2% for residential property, other than an owner-occupied primary residence, including apartment; (C) 2% for agricultural land; (D) 3% for other real property; and (E) 3% for personal property. The above percentages exclude any property taxes imposed after being approved by the voters in a referendum. (2) Specify that the General Assembly may grant a property tax exemption in the form of a deduction or credit and exempt a mobile home used as a primary residence to the same extent as real property?”
