**Floyd County Board of Commissioners
Ordinance establishing the Creation of
the Floyd County Department of Highway and Public Works**

Whereas, the Floyd County Board of Commissioners met on June 21, 2016, on the matter pursuant to establishing a Department of Highway and Public Works:

Whereas, the Board understands the additional public works associated with the additional duties being undertaken by the Floyd County Road Department and the County Commissioners departments;

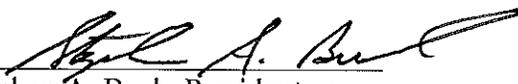

Whereas, the Commission seeks to create a streamline and efficient governmental department to address the community needs as associated with various public works projects;

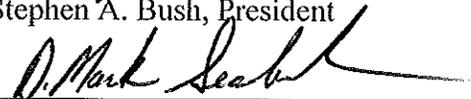

NOW, THEREFORE,

BE IT ORDAINED that Floyd County Board of Commissioners establishes the Floyd County Department of Highway and Public Works and the department shall report to the Floyd County Board of Commissioners regarding all activities associated with the County infrastructure systems including but limited to roads, bridges, storm water, right of way maintenance, engineering, geographic information, planning, and administrative functions.

SO ORDAINED this 21 day of June 2106.

BOARD OF COMMISSIONERS
OF THE COUNTY OF FLOYD

Stephen A. Bush, President

D. Mark Seabrook, Commissioner

Charles Freiberger, Commissioner
