**Dear Gordon:**

**This is a written request for the Floyd County Commissioners to consider the 2-way stop in the Autumn Hills Subdivision be changed to a 4-way stop. We have many children in the neighborhood and feel that it is in the best interest for the safety of the neighborhood.**

**If this request receives approval we realize that we will have to purchase the signs as a homeowners association to match the other current two signs. They are smaller than the standard and mounted in a black metal frame. Please notify Denny Leffler upon your decision on this matter.**

**We do appreciate you providing the entrance of our neighborhood with the speed limit sign and children at play sign. Thank you for your assistance and consideration.**

**Sincerely yours,**
